

Assistant Professor (Non-Tenured Clinical)

The University of Texas Medical Branch in Galveston, Texas, seeks a full-time Assistant Professor with excellent clinical and teaching skills to work in our outstanding Department of Family Medicine. The minimum requirement will be an MD or DO degree, ABFM board-certification, Texas Medical license (current or eligible), DEA eligibility, and DPS eligibility.

The clinical educator will:

- Provide full-spectrum, direct patient care in the Family Medicine clinics
- Supervise Family Medicine residents as needed
- Take call on the Inpatient Service
- Serve as a preceptor to medical students
- Provide nursing home coverage
- Staff extended-hours clinics
- Assist in teaching activities within the residency program

Desired qualifications:

- 2 years' clinical experience
- Strong Spanish and English speaking skills

Academic rank and salary will be commensurate with qualifications and experience.

Interested applicants should submit a letter of interest along with their curriculum vitae and contact information for three professional references. Send the requested information to Tina Salinas, UTMB, 301 University Blvd., Galveston, TX 77555-1123. **Please also apply online at <http://www.utmb.edu/hcm/>.** **Job Opening ID#31831.** Applicants should upload their CV when applying online and complete at least one section of the Education and Work Experience sections of the online application.

Working together to work wonders.™
